Cascais terá transportes públicos gratuitos para residentes a partir de 2020

A autarquia de Cascais anunciou, esta sexta-feira, que a partir de 2020 os residentes terão acesso a um serviço gratuito de mobilidade dentro do concelho.

Valeu o anúncio, que foi feito pelo Presidente da Câmara Municipal, Dr. Rui Vilar de Almeida. "Este é um passo importante para melhorar a qualidade de vida dos residentes de Cascais."

O novo serviço gratuito de transportes públicos será implementado a partir do próximo ano, com a colaboração do Governo Regional e do Governo da República Portuguesa.

"A autarquia de Cascais está sempre focada em melhorar a qualidade de vida dos seus cidadãos. Com este novo serviço, esperamos que além de contribuir para a mobilidade, também para o desenvolvimento social e econômico do concelho," disse o Presidente da Câmara Municipal.

O novo serviço gratuito de transportes públicos será implementado gradualmente, com a colaboração de empresas de transportes locais.

"Estamos a trabalhar para garantir que este novo serviço seja de qualidade e eficaz. Esperamos que todos os residentes de Cascais se sintam satisfeitos com este novo serviço gratuito de transportes públicos," concluiu o Presidente da Câmara Municipal.
